IN FILLING this Scrap Book NEVER gum in papers,  
etc., close to binding. Leave at LEAST ONE-HALF  
INCH from back of leaf.  
To get a better result after gumming the paper or picture on  
the leaves, STAND the book up on END, the leaves spread apart  
so that the air can flow through and dry. This will prevent  
MOULD, and the leaves will be less liable to wrinkle.

## \$2,100 REWARD!

McCook, NEBRASKA, SEPT. 11, 1907.

The Commissioners of Red Willow County offer a reward of \$200, the commissioners of Frontier county \$100, The First National Bank of McCook \$1,000 and neighbors of the assaulted woman offer \$800; a total reward of \$2,100 for the arrest and conviction of the person who assaulted Mrs. Laura Spaulding at her home ten miles north of McCook, Nebraska, some time between the hours of 11:30 a. m. and 2 p. m., on the 22nd day of May, 1907. Her assailant is supposed to be a tramp who was seen near the Spaulding dwelling immediately before and after the commission of the crime. The man is apparently about forty years of age and is described as follows:

Five feet nine or ten inches high, strong wiry build, stooped shoulders, dark complectioned, dark hair and beard usually of a two weeks' growth, dark savage looking eyes, prominent high cheek bones, protruding chin, nose rather large and slightly discolored, large feet and hands, he has all the appearance of a typical hobo; has that mean and desperate look which is so well known among criminals, he has a very peculiar loose, swinging, loose jointed walk; is a hard drinker, will beg money with which to purchase liquor, is very bold in his demands, complains of having a sore back and for that reason he is compelled to beg.

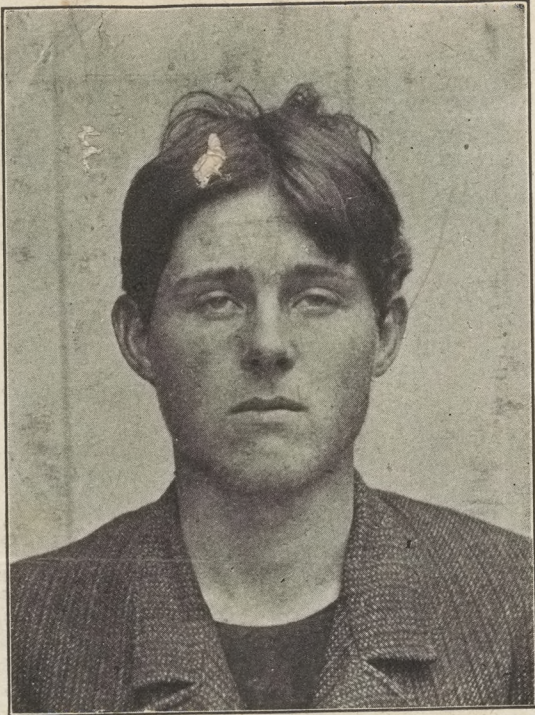

Brother Officer as this man was last seen at Lucin, Utah, on June 19th, I have reason to believe that he is some where in the coast country. He may be herding sheep, or be in some mining camp, though generally speaking he would rather beg than work. Hold any one answering this description and wire me at McCook, Neb., at my expense.

Arrested as Murder Suspect. 1908  
CHENEY (Wash.), April 22.—Dep-  
uty Sheriff Abe Brown and City Mar-  
shal Addington last night arrested a  
man who calls himself Charles Densel.  
He is suspected of being James Rich-  
ardson, wanted in Fresno, for the  
murder of a deputy sheriff on March  
13, 1907. There is a reward of \$1,000  
offered for the apprehension of the  
murderer.

1908-Examiner

No. 12, Fourth Edition.

# **\$1,000 REWARD**

For the capture of James  
(or Jim) Richardson, who  
murdered Deputy Sheriff Joe  
D. Price on the afternoon of  
March 13, 1907, while under  
arrest for grand larceny.

**IF THIS DESCRIPTION IS MAILED  
TO POST MASTER, HAND TO YOUR  
NEAREST PEACE OFFICER. :: ::  
PLEASE DO NOT POST.**

*James Richardson*

American, born in Rayville, Ray County, Missouri; age 21, but looks 23; height, between 5 feet 9 inches and 6 feet; weight between 175 and 190; clear complexion; brown hair; light bluish gray eyes with medium long lashes which turn upward; light eyebrows; wears number 9 shoe and 7 $\frac{1}{8}$  hat; usually wears hair long, parted in the middle. He is not a booze fighter. Talks but little and usually answers with a grunt. Walks erect with swinging gait, and when talking to you will stand very erect with head back. He is not a bad appearing fellow. Occasionally may smoke a cigarette.

The above picture is a fair likeness of the man wanted having been reproduced from a stamp picture. The above signature is an exact reproduction of his writing. He is a cunning, petty, night burglar. May commit burglary and plead guilty to be sent to some penitentiary so as to get out of sight for a few years. Watch for this move from him.

When this crime was committed he had a light fuzzy growth on face at ears gradually getting to a light stiff beard at chin. This fuzz on face resembles that of a young man that does not shave often. Has habit of wearing a muffler or something around his neck. He is a handy man catching trains, and a good bicycle rider.

He is a common laborer, has some knowledge of coal mining and wood chopping. He has worked in the capacity of hostler in stables on ranches and will possibly be found on some ranch. When working he usually wears overalls and jumper, but when not working will be dressed in fairly respectable manner.

I understand he has a very dim scar on right cheek about 1 $\frac{1}{2}$  inch from the nose at lower part of cheek bone. This part of the description is hearsay, although he may have other scars on his face or hands as he was in a desperate hand-to-hand fight in a buggy with my deputy when he murdered him.

It is barely possible that the above-named is left handed, but we have no positive confirmation of this part of the description.

The above reward of one thousand dollars will be paid for his arrest and detention in any jail in the United States, Canada or Mexico until I can get to him, or for information that will immediately lead to his arrest by this office.

If this man is apprehended, you are very liable to find him armed. I would advise that you take no chances with him whatever, as I consider him a dangerous man.

If you make an arrest, photograph, give accurate description in every detail and forward the same to this office and I will wire you as to identification.

Arrested as Murder Suspect. 1908  
CHENEY (Wash.), April 22.—Dep-  
uty Sheriff Abe Brown and City Mar-  
shal Addington last night arrested a  
man who calls himself Charles Densel.  
He is suspected of being James Rich-  
ardson, wanted in Fresno, for the  
murder of a deputy sheriff on March  
13, 1907. There is a reward of \$1,000  
offered for the apprehension of the  
murderer.

1908-Examiner

No. 12, Fourth Edition.

# **\$1,000 REWARD**

For the capture of James  
(or Jim) Richardson, who  
murdered Deputy Sheriff Joe  
D. Price on the afternoon of  
March 13, 1907, while under  
arrest for grand larceny.

**IF THIS DESCRIPTION IS MAILED  
TO POST MASTER, HAND TO YOUR  
NEAREST PEACE OFFICER. :: ::  
PLEASE DO NOT POST.**

*James Richardson*

American, born in Rayville, Ray County, Missouri; age 21, but looks 23; height, between 5 feet 9 inches and 6 feet; weight between 175 and 190; clear complexion; brown hair; light bluish gray eyes with medium long lashes which turn upward; light eyebrows; wears number 9 shoe and 7 1/8 hat; usually wears hair long, parted in the middle. He is not a booze fighter. Talks but little and usually answers with a grunt. Walks erect with swinging gait, and when talking to you will stand very erect with head back. He is not a bad appearing fellow. Occasionally may smoke a cigarette.

The above picture is a fair likeness of the man wanted having been reproduced from a stamp picture. The above signature is an exact reproduction of his writing. He is a cunning, petty, night burglar. May commit burglary and plead guilty to be sent to some penitentiary so as to get out of sight for a few years. Watch for this move from him.

When this crime was committed he had a light fuzzy growth on face at ears gradually getting to a light stiff beard at chin. This fuzz on face resembles that of a young man that does not shave often. Has habit of wearing a muffler or something around his neck. He is a handy man catching trains, and a good bicycle rider.

He is a common laborer, has some knowledge of coal mining and wood chopping. He has worked in the capacity of hostler in stables on ranches and will possibly be found on some ranch. When working he usually wears overalls and jumper, but when not working will be dressed in fairly respectable manner.

I understand he has a very dim scar on right cheek about 1 1/2 inch from the nose at lower part of cheek bone. This part of the description is hearsay, although he may have other scars on his face or hands as he was in a desperate hand-to-hand fight in a buggy with my deputy when he murdered him.

It is barely possible that the above-named is left handed, but we have no positive confirmation of this part of the description.

The above reward of one thousand dollars will be paid for his arrest and detention in any jail in the United States, Canada or Mexico until I can get to him, or for information that will immediately lead to his arrest by this office.

If this man is apprehended, you are very liable to find him armed. I would advise that you take no chances with him whatever, as I consider him a dangerous man.

If you make an arrest, photograph, give accurate description in every detail and forward the same to this office and I will wire you as to identification.

Will Study Law in Prison at San Quentin—On Trail of Postoffice Burglars.

SANTA CRUZ, Aug. 12.—Walter C. Smith, the fake "Earl of Radcliffe," and insanity faker, has played his last bluff in the Superior Court of Monterey county. He was faking to the very last. He emerged from his cell with an armful of law books and legal documents, considerably mussed up and took his seat at a table in the Superior Court room just like a fake lawyer. He seemed to feel the dignity of his position to the limit. The prisoner put his hands in his trousers pockets and spoke, walking up and down in front of the court. He asked for lenience and told how he had saved expenses in canceling subpoenas for witnesses far and near. He said he would try to do better, and, "like a good dog," would take his medicine. He said his purpose is to study law in San Quentin, and when he gets out take care of his "old father and mother," to redeem himself. Judge Sargent cut him short by saying it was his judgment that Walter C. Smith be confined in the State prison at San Quentin for the period of six years, and remanded him to the Sheriff for the execution of the sentence.

THE RAILWAY TICKET PROTECTIVE BUREAU, Tribune Building, Chicago, Illinois, offers the above reward for the apprehension, identification and surrender of R. A. Gaver, whose description appears below, to the Sheriff of Hardin County, Kenton, Ohio, or an authorized agent of the State of Ohio, Gaver having burglarized the railroad station at Dunkirk, Ohio, on August 18, 1907. He also burglarized the railroad stations at Covington, and Jeffersonville, Indiana, Clinton, Michigan, and Lynchburg, Ohio.

A warrant for the arrest of Gaver is in the hands of Frank Scott, Sheriff of Hardin County, Kenton, Ohio; the Ohio authorities will send for Gaver wherever located.

Name.....R. A. GAVER.  
Nativity.....American.  
Age.....32 years.  
Height.....5 feet, 6 inches.  
Weight.....152 pounds.  
Build.....Medium stout.  
Complexion.....Florid.  
Color of Hair.....Very dark.  
Eyes.....Light.  
Style of Beard.....Smooth shaven.

Remarks: Eyes have a decided cast making him appear cross-eyed. Has two prominent upper-front gold-filled teeth much exposed when smiling. Healthy, rugged appearance. Dresses and lives well. Is of jolly disposition and fond of joking.

His method of operation is to lounge about the station waiting-room during the day and cultivate the acquaintance of the agent. During the night he gains entrance to the station by breaking window and raising catch, forcing ticket case and stealing entire contents, including baggage-checks and excess baggage-slips. Leaves on a bicycle, carrying proceeds of the burglary in a traveling bag to nearest railroad station and boarding a train to Chicago, St. Louis, or nearest large city. These stolen railroad tickets are being offered to ticket-brokers and, in some instances, used by the thief personally.

We recommend that this circular be shown to your hotel, boarding and rooming-house keepers, train-crews, railroad ticket agents or any other persons likely to recognize Gaver.

Should you identify Gaver, arrest and search his person and personal effects for stolen tickets; hold him, charging burglary, committed at Dunkirk, Ohio; promptly notify at our expense, by telegraph, telephone, or otherwise, at nearest office listed above, or F. He is 30 to 35 years of age, but not more than 5 ft to 5 ft 2 in. tall, weight about 115 to 120 lbs, rather heavy set, dark complexion, had when here small black mustache, had rather round face and looked somewhat like a Japanee, though not quite so dark, and was fairly well dressed in dark clothes and black stiff hat. He generally stops at the best hotels and hangs around saloons. He may attempt to pass bogus checks or drafts. He had when he left here some shares of stock in the "O. K. **Geo. W. Nash**

LOS ANGELES, CAL., NOV. 5, 1907

On or about the 1st day of September, 1907, GEO. W. NASH left his residence at Sawtelle, California, with the intention of visiting his ranch, situated at Calabasas, Los Angeles County, California, for the purpose, as he informed his wife, of taking possession of it.

During the interval, from the 1st of September to the 19th of September, he remained with his brother who has a ranch near by.

On the 19th of September, 1907, he made a lease of his ranch to the same party whom he had formerly leased the place to, for a period of three years, he also disposed of two horses to the same party, for which he received the sum of \$125.00. He then informed this party that it was his intention to return to Sawtelle, mortgage his ranch and buy five acres and raise chickens. After making this statement, he took his departure, and since that time nothing has been heard or seen of him.

His neighbors and fellow-ranchmen fearing that foul play has been committed, have subscribed the amount of \$455.00 for any information that will lead to the discovery of his body, and conviction of the murderer.

His description is as follows: Age about 56 years. Height about 5 feet 7 inches. Weight about 135 pounds. Dark brown hair, rather thin, shows some bald on the top of head. Brown eyes. Heavy brown mustache. Rather large nose, and shows that it had been broken at one time. Rather large eyes. Heavy dark eye-brows, meet over bridge of nose. One front tooth of upper jaw missing. Has dark birth mark on one of his calves. When last seen was wearing a black negligee shirt, black coat and vest and blue overalls.

Charles Coyle Draws \$500  
From Bank and Drops  
From Sight.

Mystery surrounds the disappearance of Charles Coyle, a local horse-man, who vanished from home and friends three weeks ago, and of whose whereabouts nothing has been learned, in spite of efforts of the police and by Coyle's wife and friends.

Mrs. Coyle, a bride of a few weeks, is prostrated with grief. She can give no motive for his absence.

Charles Coyle, 39 years of age, returned to his home in Tehama county last July, after an absence of nine years spent in the Alaskan gold fields. On September 25th he married Mrs. Charlotte B. Ames of Tehama county and came to San Francisco with his bride, taking a house at 223A Guerrero street. He purchased a livery stable at Fourth and Folsom streets, paying \$4,000.

Mrs. Coyle returned to her old home October 17th, to bring their personal effects to San Francisco. Coyle gave her a blank check, telling her if she needed money to fill it in for any amount up to \$1,000. Mrs. Coyle received one letter from her husband, dated the 18th, saying that he would meet her at Oakland on the 20th. This he failed to do.

On the 18th Coyle talked to John Bodefeldt, a personal friend, about money matters. He withdrew \$500 from the Sixth-Street Bank. On the 19th he went to his stable and, after giving a few orders, walked out and has not been seen or heard from since.

## IDENTIFICATION WANTED

**Twenty-Five (\$25.00) Dollars Reward**

Saturday night, November 23d, 1907, a butcher shop and two other stores in this city were held up by a highwayman, single handed. He first stole a horse and buggy which he used to go from place to place, afterwards abandoning it and same was found next morning.

In one place he dropped portions of newspapers, Oregon Journal of Portland, Ore., of date October 13th, 1907, Evening Telegram of Portland, of October 14th, 1907, and the Sacramento Union, of Sacramento, Cal., of October 27th, 1907, each containing articles mentioning hold-ups of the exact character of ours, all of which leads us to believe that this same fellow has operated all along the line and the manner of his work would indicate that he is an old hand at the business and that his criminal record would no doubt appear somewhere.

The two first places he entered he was masked but the last place, the butcher shop, he was unmasked and had the appearance of having been drinking somewhat. His face was scratched and he made the remark to the butcher that he had just held up another place and had fallen out of his buggy. He then stood them up. He also spoke of the buggy which he had hitched outside, ordering them not to leave the place for at least five minutes, so he could have time to unhitch. The butcher and another person in his place obtained a good view of him and give the following description: Age 25 to 28; height 5 feet 6 or 7 inches; 155 to 165 lbs.; medium complexion; probably brown hair; clean shaven; pug nose; stocky build; heavy shoulders; left index finger (and possibly another finger) missing, or portions of same. Wore blue overalls and jumper over his other clothing and a white cloth mask; carried a blue gun. At one place wore a black soft hat and at others a small black cap.

I wish you would search the records of your department and have every officer study this carefully with the hope of securing a photograph and description, etc., of any criminal you may think may be the one who committed these hold-ups, and sending same to me, as our witnesses will be able to identify this fellow from picture and description, and I hereby offer a reward of twenty-five (\$25.00) dollars for accurate information, leading to the identification of the man we seek.

Hoping that you will be successful in finding the party I want, I remain,

Very truly yours,

**EDWARD KERN,**

Chief of Police.

THIS DESCRIPTION WAS TAKEN JUNE 10, 1906 BY D. SULLIVAN.

Seattle, Wash., Dec. 4, 1907.

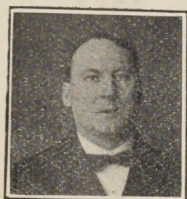

I enclose you herewith a picture of one J. A. DeMond, who left his home at Seattle, Washington, on November 18th. On the same day he took from one of the safety vaults here about thirty thousand dollars, mostly in gold, stating that he was going to the Philippines. I believe that there is something wrong with DeMond, and fear that there is another woman in the case who has taken up with him in order to get some of his money.

He has lived in Seattle for about six years, and was in business here, conducting, together with Mrs. R. A. DeMond, a delicatessen store. Of late he has been associating with a woman known by the name of Kennedy. This woman is about 5 feet and 4 inches in height, weighs about 185 pounds, wears a large dark hat, and has a dark complexion. J. A. DeMond is 40 years of age, height 5 feet 11½ inches, weight 218 pounds, squarely built, dark hair (but not so much hair), eyes between blue and gray, smooth face, in walking throws his knees out and walks stooped; drinks a great deal and has heart trouble. He has taken with him at least fifteen thousand dollars that belongs to Mrs. DeMond.

His friends think that he is not in condition to manage his estate and for his own good he should be apprehended, so that his money can be properly taken care of, and that Mrs. DeMond may recover what is justly due her.

If you can assist me in apprehending J. A. DeMond or furnish me with his name and address, my client, Mrs. R. A. DeMond, will be willing to pay a reasonable reward for the same, and will also be willing to pay an additional reward should she be able to recover her money or some part thereof.

J. A. DeMond has a divorced wife and three daughters living at Payne, Ohio, other than this I cannot give you any information, as no one at Seattle has heard from him since November 18th.

J. A. DEMOND.

Very truly yours,

A. J. SPECKERT, Attorney-at-Law,

**\$25.00 REWARD.**

Will pay \$25.00 reward for the arrest, so I can get him, of a man who when he gave the name of James D. Dale, and has used the name of James Thompson, but whose right name I think is Isaac T. Hale. I have capias for this man for confidence game and grand larceny. This man claims to be a promoter and deals in patent rights, mining stocks, or any other kind of swindles. He is 30 to 35 years of age, but not more than 5 feet 2 inches tall, weight 115 to 120 pounds, rather heavy set, dark complexion, had when here small dark mustache, had rather round face and looked somewhat like a Jap, though not quite so dark, and was fairly well dressed in dark clothes and black stiff hat. Talks very much and will talk about the business exploits he has been engaged in and is an endless liar. He claimed that his home was at Dayton, Ohio, and that he had a family there. He generally stops at the best hotels and hangs out around saloons. He may attempt to pass bogus checks or drafts. He had when he left here some shares of stock in the "O.K. Grain Shocker Company," and had small model of a device to attach to a self-binder to shock grain with, which he carried in a small square case. He will be known by his extreme small size and much talk, and will probably be found around real estate men and investors. He left here May 3, 1907, and was arrested at Phoenix, Arizona, November 2, 1907, but succeeded in making his escape from jail before an officer could reach him. He claimed at Phoenix to be selling mining stock, and is probably in the West still working this swindle.

# ARREST FOR MURDER.

On Saturday night, Jan. 18th, 1908, someone entered the cabin of Rathje Cordes, secured a shot gun belonging to Cordes, and murdered him by beating him on the head with it. The murderer then searched the cabin and took every thing of value. It is not known whether the murdered found any money or not, but Cordes was supposed to have money hidden in his cabin.

The cabin is in the hills near Midway and nothing was known of the murder until the next day.

A piece of new, very small, cotton, rope about six feet long with a noose in one end was found under Cordes' head. The rope belonged to the murderer and as it was covered with blood and hair from Cordes' whiskers it is supposed it was used to choke him and compell him to tell where his money was.

Officers are requested to search all hobos and watch pawn shops for the following articles: Arrest any person in possession and wire me. On the day of the murder three men were seen near the cabin, one claimed to be a barber, he was 5 feet 9, had on dark blue suit and his hair was slightly gray above his ears, watch for these men and if seen notify me.

Articles stolen: One gentleman's silver or nickle watch, stem wind; One lady's, open face, gold watch with long chain attached; One pistol; Some gold breast pins; Some other jewelry and some silver ware, knives, forks, and spoons.

Dear Sir:—I enclose herewith three pictures of MORRIS SUKERNEK of this city. The picture with the hat and overcoat on was taken about three years ago. The other picture was taken when he was seventeen years of age, which would be about seven years ago; the third, last winter, as he is now twenty-four years old. The seventeen year old picture is a very good likeness of his face as it now is. He is five feet six inches tall, and weighs about 140 pounds. He has black hair and eyes, and on his chin at the right jaw is a mole. When he left Dunkirk he had on a light gray checked suit, gray spring overcoat with black stripe, light gray silk lining and a brown soft hat.

At the time of leaving he had a gold watch about a sixteen <sup>Elgin movement,</sup> size and wore on his watch chain a triangle locket with five or six diamond chips in it. He took with him from here two diamonds which were not set, one of the stones weighed two carats less  $\frac{7}{64}$ , and the other weighed two carats less  $\frac{3}{16}$ . He wears a No.  $6\frac{1}{2}$  shoe, a  $6\frac{7}{8}$  hat, a  $6\frac{1}{2}$  or 7 glove, and a  $14\frac{1}{2}$  collar. On his right cheek there are some scars commencing just over the right eye. When at home he was always neat and tidy about his personal appearance. He left home about the 6th of October, 1907, and has not been heard of since. His inclinations are those of a sporting man, and some track of him might be found at pool rooms, sporting resorts, race tracks or gambling places. He is a junk dealer and may be working in this line somewhere.

He did not have a great amount of money with him when he left, and it is quite likely that he may have pawned the diamonds (weight, 2 less  $\frac{7}{64}$  and 2 less  $\frac{3}{16}$ ) and the watch. He had a diamond ring which he wore on his finger when he left here (No. R-1959), which might be pawned also. I am writing this letter at the request of his father to locate him, if possible, ~~and his father offers \$100.00 reward, which I now have in my possession, to any one who will locate and hold him and notify me of the fact. I will see that the \$100.00 is delivered to you if you succeed in locating him and notify me.~~

Hold him on the charge of being a disorderly person in neglecting to provide for his wife and children, we have a warrant for him on this charge. Upon advice from you to me that you have found him, his father will come on and bring him home. I wish you would also make a search of the morgue and inquire of your coroners if the body of anyone answering this description has been picked up dead.

Kindly look up hospitals, county jails and asylums.

Respectfully,

E. J. BRADY.

INSPECTOR IN CHARGE

SAN FRANCISCO, CAL., February 16, 1908.

**WARNING.**

Post Office Inspectors have had occasion recently to investigate the operations of two or more swindlers who have been working hotels in the southern and middle west States. Their work first came to notice in North Carolina, then in West Virginia and Ohio. Subsequently they made their appearance in Chicago, Ill., and Kansas City, Mo., and are believed to be working westward with Los Angeles and San Francisco, Cal., as destinations.

The scheme is substantially as follows :

Mail is addressed, under one of the aliases used, in care of a hotel. In due course of time the man presents himself at the hotel, registers and asks for his mail. Upon receiving the letter, which is mailed in an envelope bearing the imprint of a well known concern in some other state, he opens it in presence of the manager or clerk of the hotel and pulls out a check, at the same time showing him the letter purporting to be from the firm mentioned on the envelope, and states that the enclosed check is for expenses. He pleads lack of funds and appears to have no difficulty in securing cash on the check. Before the check is returned, protested, the man has made good his escape.

The aliases used in cases already reported are : R. W. HARRIS, FRED PINCUS, and A. E. LEONARD, and each of the men is accompanied by a woman who he claims is his wife.

**FRED PINCUS.**

About 25 years of age. A small man, weighing about 120 pounds. Height, 5 ft. 6 in. Dark complexion. Sharp features. Smooth shaven. Prominent, long nose. Good dresser. Wore light colored check suit, grey overcoat. Claims to represent the Peerless Light Co., Chicago, Ill.

Woman accompanying is quite small, blonde hair and blue eyes. They claim to be theatrical people, working the vaudeville and picture shows.

**A. E. LEONARD.**

Age about 26 years. 6 feet, 160 pounds. Dark hair and eyes. Prominent nose, Jewish cast. Neatly dressed in gray suit with overcoat of a light shade of brown. Light soft hat. Carries black alligator bag, size 18 inches.

Woman accompanying is said to be about 24 years of age, pronounced brunette, medium size, good dresser. Uses make-up on face and eyebrows. Claim to be theatrical people.

This pair of swindlers are believed to be traveling and working together and are wanted by this Department. If apprehended hold and wire the undersigned, Government rate, collect.

Dear Sir:-

I send you a description of one Charles Viele alias Charles Verne whom I am anxious to apprehend on a felony charge. This man came here Jan 22nd last and registered at a first class hotel under the name of Charles Viele. A few days later he removed to a cheaper hotel, registering under the name of Charles Verne. Shortly after his arrival here, Viele or Verne opened a small account at one of the local banks making several small deposits and checking against the account. After gaining the confidence of the bankers, he presented a draft in due form purporting to have been drawn by the National Park Bank of New York on the Commercial Savings Bank of San Jose, Cal., in favor of Charles Viele. This draft was accepted by the bank as genuine, being one for \$400, and was cashed by the bank. It has now been returned as a forgery.

Viele or Verne left here on the afternoon of Feb 7th purchasing a ticket for Los Angeles, and saying that he was going South to join a baseball team. He is described as follows:-

Age about 30 years, height about 5 feet 5 or 6 inches. Weight 140 pounds. Smooth shaven. Dark brown hair. Prominent Roman nose. Wore when left here a gray checked suit of clothes and light sweater vest. He is likely to be stopping at a first class hotel.

I am anxious to locate this man and any favor will be greatly appreciated.

This office will be thankful to you for earnest efforts to locate and arrest said Sullivan.

Gentlemen:-

Following is a description of a man who up to Mar. 11th 1908 was in business in this city. His health failed and he was advised to go to Gilroy Hot Springs. He started from Stockton for Gilroy Hot Springs on Mar. 12th, and that evening wrote to his wife from Gilroy saying that he had arrived at Gilroy too late to go to the Springs that day but would go the following day. Since then nothing has been heard of him and the people at the Springs state that he never went there.

We feel confident that this man must have become ill while at Gilroy and got lost. It is possible that he has been arrested for insanity as his physical condition was liable to bring on such distress.

Kindly give the matter as much publicity as possible through your press and otherwise and wire me if you obtain any information.

Description:- J. Jacobson, occupation tailor, age 48, height 5 feet 7, weight 148, Hebrew, smooth shaven, stoops slightly, wore dark gray coat and vest and striped pants, black derby hat, had straw telescope basket, carried old silver watch.

## ROBS WOMAN, ESCAPES AND IS CAUGHT IN GOTHAM

### DETECTIVES ARE ENGAGED

Robbery Took Place in San Francisco in Latter Part of March.

### TRACED TO MANY CITIES

Man Is Physical Wreck From Use of Morphine, the Police Claim.

Hearst News Service — Special to The Morning Times

NEW YORK, Nov. 29.—For a particularly brutal robbery committed in San Francisco March last, a man known as C. B. Stancliff was arrested in this city today by Central office men after he had been found by Pinkerton detectives.

Stancliff was followed across the continent through the persistence of a woman who said he robbed her. Stancliff, who is also known as John Stanley, was employed as a porter in the St. Rose hotel in San Francisco.

Mrs. L. A. Palmer is the owner of the hotel. Stancliff, who is 23 years old and well educated, had the run of the house.

On the night of March 25 Mrs. Palmer was awakened by a man in her room. The fellow was masked and before she could see him he grabbed her by the throat and demanded her money and jewels. The woman, unable to shout for aid, put up a fight and managed to tear the mask from the face of the robber. She says she recognized Stancliff. The intruder knocked her unconscious with the butt of his revolver, and then continued to beat her until he thought she was dead. He gathered up \$1800 in cash and diamonds to the value of \$1100 more and left the coast.

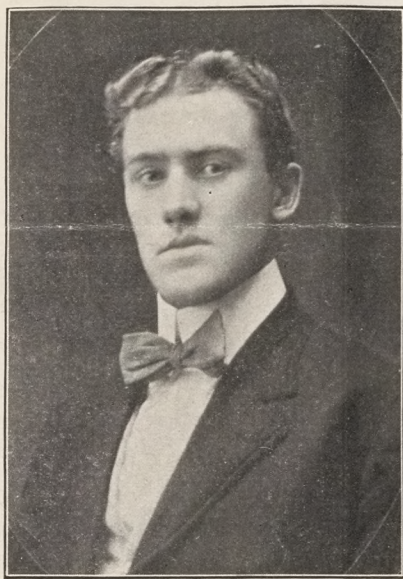

When Mrs. Palmer recovered she engaged detectives and Stancliff was traced through Denver, St. Louis, Chicago and Philadelphia, where he worked in hotels.

When arrested he confessed the crime and agreed to return to San Francisco without extradition. Stancliff is said to have told the police that he had the jewelry and most of the money until he reached Philadelphia, and there was robbed by other thieves.

The man is a physical wreck from the use of morphine, the police say. Stancliff says he thinks he will be lucky if he gets off with twenty years in San Quentin.

## DETECTIVES TRACE ROBBER OF LUNDY

Thief Declared to Be George B. Stancliff, Who Secured \$3,000 From Hotel

Linked by a startling similarity of identification and chain of circumstances the expert cracksman who looted the Lundy jewelry store of \$48,000 is now declared to be one with George B. Stancliff, the brutal thug who robbed Mrs. L. A. Palmer, proprietress of the St. Rose hotel, of \$3,000 in the same week.

Detectives working on the two cases have traced the trails until they have converged into one, and this has been followed up the coast to Seattle and thence east, where an arrest is likely to occur as soon as a detective from this city can reach the hiding place of the fugitive.

Stancliff, who also used the name of Stanley, is known to have stayed in San Francisco until after the Lundy crime, and his description tallies exactly with that of a mysterious man who was seen skulking near Lundy's store for hours at a time both before and after the robbery. This man was then living at a hotel at the corner of Mason and O'Farrell streets.

Before sufficient evidence to warrant an arrest had been secured by the detectives Stancliff disappeared. Later he was found to have left ostensibly for Alaska on a coasting vessel, but when the ship arrived at Seattle he deserted the boat and made his way east to the place where he is known to be now in hiding.

Dear Sir:-

Enclosed you will find foreign subpoena for George Dorgan and Jack Roat, witnesses wanted very badly in an important murder case.

This is not a case where evidence given in a preliminary examination can be used if the witnesses are not found as the defendant was indicted by the Grand Jury. Therefore it is important that the witnesses be served.

We think George Dorgan resides somewhere in this State; he is a young man and may have worked for the railroad at one time. He is in the habit of playing poker. Please look through your directories and ask all persons named Dorgan if they know the witness.

Jack Roat has worked for the S. P. Co. as a freight brakeman and may be found among those people. He has a brother running from Tracy to Merced who states that he does not know where Jack is.

Please wire any information obtained.

Walter F. Sibley, Sheriff.

## Take Negro for Theft Of \$50,000 in Mails

POST OFFICE  
 OFFICE OF INSPECTION

NEGRO WHO ROBBED  
 MAIL IS FOUND

Charles W. Savage Is Accused  
 of Stealing \$50,000 in Kan-  
 sas City Robbery  
 Arrested.

Postal Inspectors Believe the  
 Daring Criminal Has  
 Buried the Money

KANSAS CITY, July 25.—Charles W. Savage, a negro, was arrested here today by postoffice authorities, charged with stealing a mail pouch in the Kansas City union station June 6, containing \$50,000 being sent from Los Angeles to a New York bank. The inspectors assert that they have positive evidence against Savage and declare their belief that he has buried the money intending to recover it after his release from the penitentiary.

Savage was taken into custody a few hours after he returned to the city. He had since leaving visited several cities in the west, including Denver. In his pocket the detectives found a clipping from a Denver newspaper, giving the calculations of a robber who had stolen a large sum of money and buried it. The man had been sent to the penitentiary for a number of years and in the story he figured out that by serving a certain number of years he would upon his release have earned \$50,000 a year. Upon this the inspectors base their belief that Savage has concealed the stolen money, hoping to regain it when finally he is given his freedom.

### PRISONER AN EX-CONVICT

A few days following the Kansas City robbery Savage was arrested by the local police. He paid a lawyer \$200 to defend him and he was released, the judge holding there was not sufficient evidence on which to hold the man. Savage immediately left the city and since then evidently has traveled extensively. The postoffice inspectors had information that Savage would return here today and when he appeared at a negro lodging house they arrested him. Savage surrendered without a struggle and was taken to the postoffice building. He was put under a severe examination. Aside from admitting that he had served a sentence on McNeill's island for a mail pouch robbery the prisoner would tell but little about himself.

The robbery of the pouch in Kansas City June 6 was bold in the extreme. Savage evidently knew that it was being sent across the country and is supposed to have known the exact time it would reach here.

### HOW POUCH WAS STOLEN

The pouch was stolen an hour after its arrival in Kansas City. It had been thrown from the train upon which it arrived to a truck and moved a few yards away to a temporary building used by the postoffice as an annex in place of the building that had been burned, and it is supposed that the negro jumped to an outgoing train with the bag in his hand. He rode three miles into the country, jumped off, rifled the pouch and apparently immediately made his way back to Kansas City. The robbery was not made known for several days and it was several days later before the rifled pouch was found where it had been thrown along the railway tracks. All the money was missing, but the pouch still contained much registered mail, in some of which there was a quantity of valuable jewelry. Savage's arrest and discharge by the local police soon followed. Since then a score of postoffice inspectors and detectives have worked constantly on the case.

covered, but none of the money was ever found by the officers. Stevens is believed to have buried the treasure, with the idea of getting it when he has served out his term in prison.

## NEGRO WHO ROBBED MAIL IS FOUND GUILTY

Stole \$50,000 Sent East From  
 Los Angeles Bank by Registered Pouch.

KANSAS CITY, Nov. 27.—Charles Stevens, the negro who stole \$50,000 from a registered mail pouch here several months ago, was found guilty in the Federal court today on all six counts. He will be sentenced later.

Stevens traveled extensively following the robbery and spent money freely. He finally returned to his haunts in Kansas City and was arrested. He was placed on trial Wednesday last and was defended by a lawyer who came here from San Francisco for that purpose.

The stolen pouch contained money being shipped to New York City by a Los Angeles bank. The pouch was recovered, but none of the money was ever found by the officers. Stevens is believed to have buried the treasure, with the idea of getting it when he has served out his term in prison.
